

A fitting farewell for family & loved ones

Crafted Coffins &
Caskets Catalogue

Welcome to Finney Funerals Catalogue

All of Finney Funeral Services' coffins and caskets are proudly manufactured right here in Tasmania with an emphasis on quality, design and craftsmanship. Our range extends from basic care and custom wood coffins through to highly finished solid timber caskets, with costs dependent on the construction quality, finish and style.

We are also able to personalise coffins to your requirements.

We continually listen to our clients and the industry. With the experience of our management team, we are well equipped to handle any request. Our catalogue displays a selection of our product range.

Montrose

16

The Montrose is a craftwood veneer constructed coffin with a high domed lid and satin finish in a high gloss dark mahogany colour. Lined with satin upholstery and consisting of drop-bar handles.

Environmental Coffins made from natural materials

Leaving Lightly

18

Leaving Lightly is a natural and environmentally friendly alternative to traditional particle board, chipboard and timber burial coffins. They have extra thick honeycomb and corrugated panels that exceed all the normal requirements of a quality coffin and are made from 100% biodegradable post-consumer recycled cardboard.

The external appearance of the coffin can be traditional with dignified characteristics, natural “kraft” finish or can even be personalised painted or decorated by friends and family.

Peace Pod

19

A PeacePod® isn't just a coffin, it's an entirely new concept in funeral vessel design. This innovative casket draws on aesthetic and environmental benefits and was developed over many years, in simple terms, it is a cardboard casket that can be personalised and decorated in any way. PeacePod® is suitable for cremation or burial.

Wicker

20

The Wicker is made from woven cane. It is lined with a natural cotton drapery and has natural rope fibre handles.

Solid Timber Coffins
made from a variety
of quality timbers
